9 Hole Saturday Competition

With winter just around the corner the Club Captain and his team have been giving some serious thought to the development of a 9 hole Saturday competition.

We are continually hearing about how people don't have time for 18 hole's and that clubs need to be looking to further develop the shorter form of the game.

With this in mind as of April 18 the club will be running a 9 hole competition on Saturdays. This will be open to both ladies and men. So if

you don't have the time to play 18 holes or just don't want to get out of bed that early on a Saturday morning, why not come and join us in this new competition. You don't have to be a 12 hole member to join in, it is Open to all Hagley Golf Club Members. If you have a friend that would like to join you then by all means invite them along and we will further reduce their green fees to just \$10 and they can join in the days 9 hole competition.

Coaching Continues

With the end of Daylight saving the 8 week coaching programme has come to and end. Toni will be looking to start this up again next year once daylight saving kicks in.

In the mean time Toni is planning a one day programme on May 14 (For Golfers) and again on May 31st (Novice Golfers) She will be taking a small group of golfers for coaching on the 5 different aspects of the game . They will sit down for a great lunch before burning it off on the course , where she will watch you and help you with club

choice, alignment and positional play.

There will be a maximum of 12 players per group, so be in quick as bookings will fill fast.

Cost is \$150 pp or \$80 pp for members of Hagley Golf Club, this includes lunch and equipment if you need it .

For bookings call Toni on

\$15.00 for 12 Holes
Don't have time for 18 holes then
why not play Hagley for just \$15
for 12 holes

News in Brief

Top Dogs

So who will be top dog this year. There has been some pretty strong statements made about the quality of the field by the defending Top Dogs team. It will be interesting to see if they can perform as well as they brag.

Start Times

With the weather closing in the start times for programmed events has been change inline with the programme. For the next month

Saturday and Wednesday

competitions will be starting off at 8.45am May sees it moving to a 9.00am start, then June / July / August we go to 9.30am.

Eagles Golf

This is an early reminder of the Eagles Golfing Society of Canterbury's annual fund raiser at our club. On Sat May 30th a Mixed Ambrose will be played with a one off entry fee of \$5.00. You will receive 2 tickets in the Eagles sponsored Taylor Made competition and the usual entries into the clubs weekly haggle. It is hoped that the members will once again support this very worth while cause.

Prizes for the day will be Taylor Made Burner Golf Ball.

Our Club has 3 members in the eagles Society Noel Direen, Brian Boomer (Vice Captain) and Rex Bull (Treasurer).

The eagles Society was established in 1964.

The aims of the society are to establish a fellowship of golfers , to foster the game of golf, assist in encouraging and instructing junior golfers, and promoting sportsmanship, skills and etiquette.

Who's Who on the Executive

Membership Options

New Members are always welcomed at Hagley with a number of membership option open to both those just starting out in golf as well as the more experienced Golfer.

If you are looking to join a club then why not drop in and have a chat with Peter in the office and see what sort of a deal we can come up with, I am sure we can find the right deal for you.

Drop off in Tourists = Drop off in Income!!

With the drop off in tourists around the city the clubs income from green fees has been cut back dramatically. This is already affecting the clubs options with the executive looking to cut back on expenditure where ever it can.

We are also looking to raise more income through the promotion of the club on a number of different fronts. We have launched a radio advertising campaign targeting those people that are interested in only playing 9 to 12 holes. This is trying to target those that would not normally play golf through the winter. Part of this is also the introduction of a 9 hole Saturday Competition. This is also being promoted through an advertising billboard on Harper Av as well as the club house and the clubs truck. The club also undertakes advertising through the AA 101 things to

do as well as the Best of the South Island book which is distributed throughout Hotels and air ports around the South Island.

This year has seen the club send out flyers which have had a mixed response from the local area. What we are looking for is some new ideas that the club can do to encourage both new members as well as more green fee players.

So next time you are talking to your fiends why not suggest Hagley as the ideal place to meet and play a quick round of golf. Maybe they have never considered joining a club, so why not suggest Hagley! We will even throw in a free round for those looking to join a club.
